

1. Open your WEB browser and enter this address: <https://tinyurl.com/LearningFilesNPC>

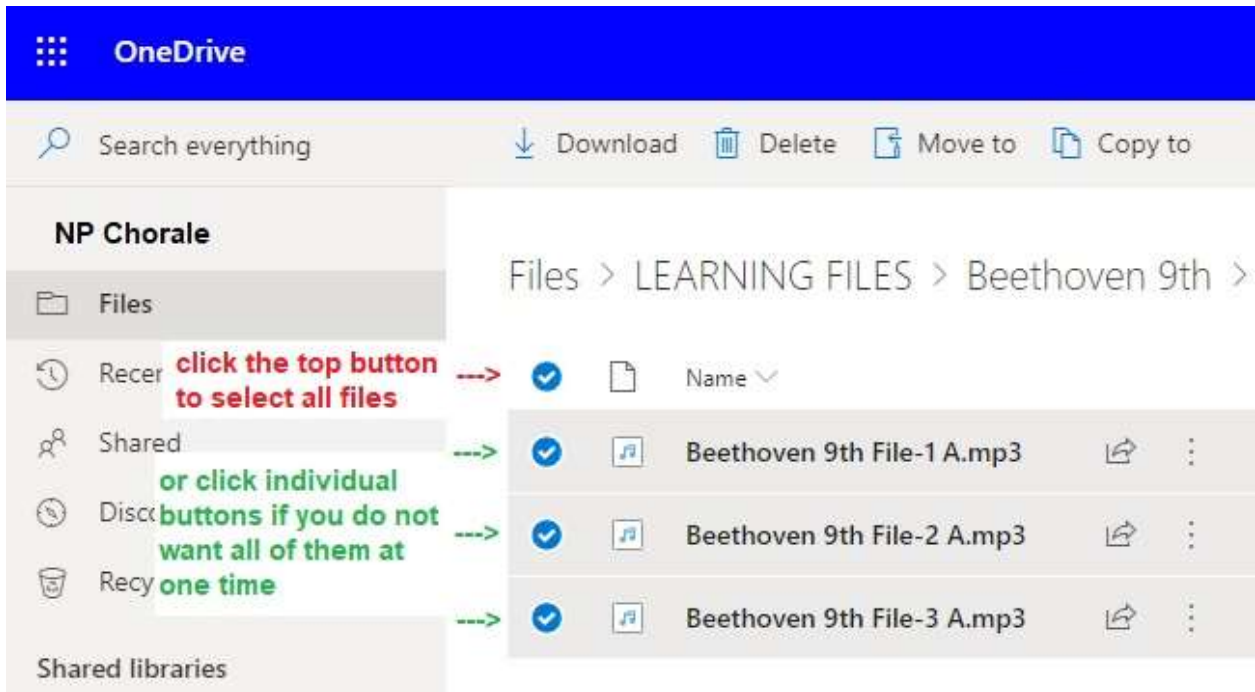

2. Click in the name of the file.

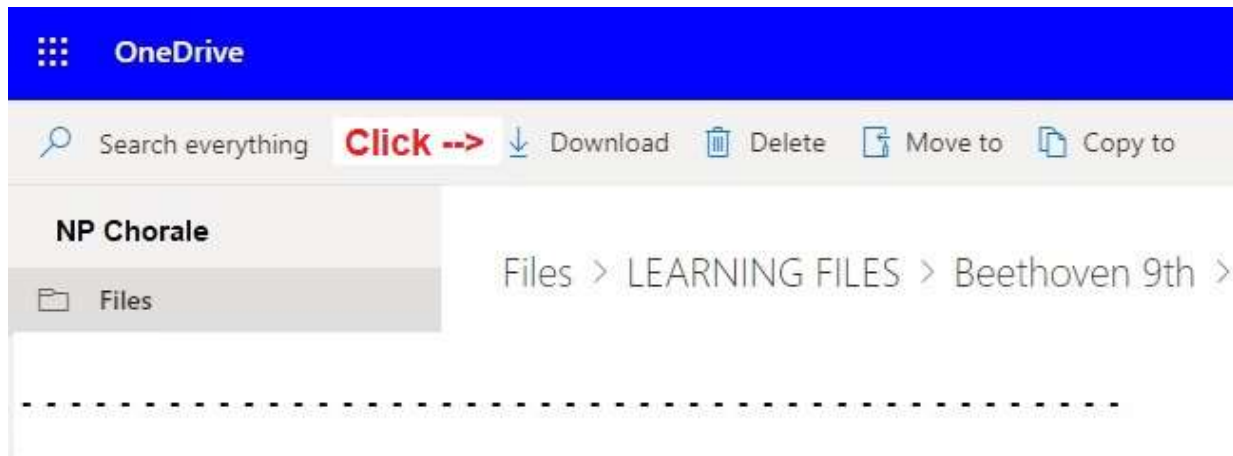

3. Click on the name of the file for your voice.

4. Click on the circle (not the name) to select the files you want to download. You may select any number of files. If you want to select all of them, click on the circle at the top.

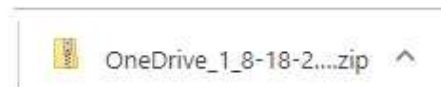

5. Click on Download at the top of the screen and the files will be downloaded immediately. Your files will be in your Downloads folder and a link to them will be shown at the bottom of your browser.

When you click Download, a box will appear on the bottom of your browser.

If you download one file, it will be displayed in the box.

If you download multiple files at once, they will be zipped and the zip folder will be displayed in the box.

The files are in your Downloads Folder, but you can open them immediately from your browser. Just click on the box.
